Figure 1: *Kokobus* – Sea-cucumbers

(1) *Enaa kahi vahutate ni nom havee to suvasuva kokobus vaavaha vo raara.*

I am going to describe how we practice the fish poisoning with sea cucumbers.

(2) *Beara tau nao tea suvasuva kokobusu, eara na dee rara o hoi, e ta rapisi a ta rutaa, ge o koopu rapisi.*

When we are about to go poisoning fish with sea cucumbers, we take a basket and a small knife or a bamboo knife with us.

(3)	*Beara suguna tea masi, eara repaa taneo tea avete kokobusu vo tea hoi.*	When we have arrived on the reef, we start collecting sea cucumbers into the baskets.
(4)	*Eara repaa kae vo tea kopua vai to pasi suva ni raara.*	Then we carry them to the pool where we want to use them for fish poisoning.
(5)	*O kokobusu to avete raara na dao riori bono pipimirari.*	The sea cucumbers that we collect are called Red Surf.
(6)	*Beara suguna tea kopua, eara repaa taneo tea kopaa a kokobusu.*	When we arrive at the pool, we start cutting the sea cucumbers lengthwise.
(7)	*Eara kopaa batara beara peo bata ni rae komana kopua bara tea vavarihi nae.*	We cut and scatter them over the pool and its side.
(8)	*Beo hoi kokobusu kavara, eara repaa nao habana koa tea avete.*	When the basket of sea cucumbers is finished, we go again to collect more.
(9)	*Eara repaa ma kopaa ae peo haa-bana koa e.*	Then we cut them and scatter them over the pool once again.
(10)	*Beara tara o iana beori taneo tea bubuutoo tavusu ae mate,*	When we see that the fish start struggling and die,
(11)	*eara repaa kona kou, a tahii paa peesi vaevuru.*	we know that the water has already become bitter.
(12)	*eara repaa antee tea kopaa kokobusu.*	and stop cutting sea cucumbers.
(13)	*Eara repaa taneo tea avete rio iana vai o matemate, vaobete teo hoi, eara repaa kae voosu eve.*	Then we start collecting the dead fish, put them into the basket and carry them home.
(14)	*Eve koa. Mataa.*	That's all. Thanks.
